

CORONAVIRUS

STAY ALERT TO STAY SAFE

Changes have been made at this practice to ensure we can continue to provide essential care safely for you and our dental team:

- We're having to prioritise patients with the most urgent needs.
- New social distancing and hygiene rules are in place. Please follow practice guidance.
- Staff may be wearing additional protective equipment.
- The range of treatments available may differ to what was offered previously.

If you have any questions about these changes, please speak to the dental team.
